Eligibility: Adopted fall 2010 - girls play on teams specific to their grade in school. Girls can choose to play on older teams but cannot play on younger teams. If you have a player who needs to fill out a grade exempt form please have this done prior to the tournament. An example of a grade exempt would be a girl skipped ahead in school and wants to play in the grade she should be in.

Check in: Prior to your first game each coach needs to present AAU cards for his or her players and coaches. These will be checked and returned the next day. Turn them in all together by the coach.

Awards: 1st and 2nd player medals per division

All players and coaches will receiver a free AAU t-shirt

Advancement: Playing in this tournament (regardless of finish) allows your team to advance to an AAU national tournament in the summer. Let me know if you plan to consider doing this.

Rosters: **Rosters must be typed** and the spelling of your players needs to be checked. Names will be put on tournament shirts and parents hate misspelled names.

Deadline: Wednesday - **April 18 - Be Prompt**

If your roster isn't complete go ahead and send your registration form and check to hold your spot. Then email your roster separately.

Mail check, registration form, and roster (if completed) to:

Cannot take credit cards.

Tournament schedule: I will email you your game schedule the week prior to the tournament. Please provide a clearly written or typed email address on the registration form. As well as phone numbers.

Schedules will go out as fast as we have them ready.
